

Wedding Venue Booking Website.

Created By: Marah Al-Khateeb.

Introduction

Create
Created

“We make sure your day goes off without a
hitch”

Your wedding day. The statement “I do” intertwines the lives of two different people from two different families. The love of a bride and groom connects and manifests the eternal promise for each other. This pledge of devotion will be one of the most important days of your life.

Justification:

Wedco is a website to view and browse wedding hall and a preliminary or initial booking it. reservations are temporary. So that the hall has not been reviewed within a certain period of time to be agreed upon the reservation is cancelled with the possibility of confirming the booking by paying an initial amount .

Overview of Deliverables:

1.0 Wedding venue and locations

2.0 Lovely Decoration

3.0 Live music and DJ

4.0 Costume Services

Specific Project Objectives and Success Criteria:

A. The project goal is to hold the wedding and reception of Christopher Russell and Nicole Lehmann on October 15th, 2011.

B. The Project Manager "PM" Brandon Lehmann will be responsible for providing the sponsors Christopher Russell ("Groom") and Nicole Lehmann ("Bride") with the project status on a weekly basis.

1. Cost

- a. The wedding and reception will be completed with a budget of \$10,000.00 dollars.
- b. The costs will be further refined as project resources and cost estimates are provided for contracted services.

2. Quality

- a. The wedding will be planned according to all specifications of the Bride and Groom.
- b. All deliverables stated shall be inspected by the Bride and Groom before they are secured for the ceremony or reception.
- c. Risk management shall be address by the Bride, Groom, and PM.
- d. The goal is that the Bride and Groom enjoy their ceremony and reception and it provide enjoyable memories for years to come.

Key Constraints:

1. The Bride does not currently have all funds procured for the project.
2. The project must be completed by October 15th, 2011.
3. Estimated budget is not to exceed \$10,000.00 dollars.
4. The guest list must not exceed 250 participants.

Key assumptions:

1. The Bride and Groom have preselected the date and it cannot be changed.
2. The Bride and Groom will not back out of the wedding.
3. That the project can be completed by October 15th, 2011 within the estimated budget

---	---	---

I believe I have broken the project down and defined the scope of the project enough to form a baseline level of control. Activities and requirements may be altered, added, or removed during the project cycle and the WBS and project charter will reflect any changes.
